Thanks ! I looked thru my email and found Peter's email. While being gone for only 2 days last week, in Gunnison, I have too many unforeseen dragons appear on my desk... I might cancel my trip to Silverton this week... I will know by noon today.

Dear Stakeholders – Attached is a ***Draft*** timeline for actions to be taken in the upper Animas River Basin to resolve issues regarding major, mining-related sources of metals. This is definitely a draft and I expect that we will make changes to it at our Tuesday ARSG meeting in Silverton.
